Aunt Em was one of my favorite Aunts. She was a fantastic conversationalist with a witty humor that always kept me on my toes. I am so grateful to have been loved by her and will cherish our memories forever. My Uncle Ernie took such great care of Aunt Em. He loved her so deeply it was evident in all our interactions. I love you Uncle Ernie and thank you for showing me a beautiful example of what a marriage should look like, til death do us part. Aunt Em is dancing on golden streets in heaven and I can see the conversation she is having with Jesus in my mind so clearly!! Forever love. Amy
