

Marie Lorraine Stone

March 1, 1943 - October 17, 2021

Marie Lorraine Palmatier Stone, 78, of Franklin, North Carolina, passed on Sunday, October 17, 2021, surrounded by her family.

Marie loved walking the Maryland beaches of the Chesapeake Bay and exploring her North Carolina property. She especially loved her Patterson Grove Campmeeting cottage where she spent the summers of her youth, and returned to spend many of her final summers. Marie's heart found beauty in everything, from the wonders of nature to abandoned buildings to a thrift store item, her hands aching to touch it all.

Marie worked as a piano instructor, elementary teacher, then eventually at Calvert Cliffs Nuclear Power Plant, entering as "that security officer with the amazing smile" before eventually transitioning to the training department from which she retired.

Marie was well known to be energetic, enthusiastic, and spontaneous. She was dynamic in groups, but happy in solitude. A beloved sister, mom, grandma, great-grandma and friend, Marie will be sorely missed.

Rest in peace.

Moffitt Family Funeral Care is honored to serve Marie's family.

“ Jean and I first met Marie and Bruce when we moved to Corundum Hill. Over the years we shared many great times together. We loved going by their place and seeing all the beautiful flowers. Marie gave us two wonderful azaleas a couple years ago. We have enjoyed them each year. We will always remember Marie and her smile and generous spirit. We will miss her here on the mountain!

“ Marie and Bruce entered my life 20 years ago. I never knew a woman so in love with her children and grandchildren.
